Josh,

I talked to management and the agreement has been approved, but I guess there has been some issue getting it signed. We can move forward.

Angela,

We have quite a bit going on in these cases. Most importantly, we are negotiating an agreed move of all the cases to Dallas County. The defendants and the plaintiffs have agreed on the concept and we are now working through the details. Once we get this agreement executed we can set up a call to go through everything and thereafter have a weekly call. Thanks.

Josh
